**BREUR MEDIA LAUNCHES LOCAL RESTAURANT WEB SITE:
www.IWantBreakfast.com**

(Lutz, Florida) Breur Media Corporation has created a new logo and completed the new website for the Breakfast Nook restaurant, which celebrated one year in business in February 2006.

Artist Angel Newton designed the new logo, and artist Georgia Carmichael designed and implemented the web site.

The new website address is www.IWantBreakfast.com and includes such information as:

- Information about the restaurant and its founders.
- Map and directions link to the restaurant.
- A full listing of the restaurant's menus, including breakfast, lunch, and children's menus.
- Future content may include specials and coupons only available from the web site.
- Information about catering services provided by the restaurant

Breur Media Corporation creates a variety of original interactive multimedia, including web design, CD-ROMs, and live interactive multimedia presentations. Other services include graphic design, e-commerce, and web hosting. The company was founded July 2001 by Arthur Breur, whose previous experience includes six years at PriceWaterhouseCoopers and more than 15 years in print, interactive and multimedia design. The office is located at 18125 Highway 41 in Lutz, Florida, 33549.
